Christina:

You know tonight, I am feeling a little out control
is this me, you wanna get crazy, because I don't give
a...

Gwen:

If I was a Rich Girl

See, I'd have all the money in the world, if I was a
wealthy girl

No man could test me, impress me, my cash flow
would never ever end

Cause I'd have all the money in the world, if I was a
wealthy girl

Christina:

1ST VERSE:

I'm out of character, I'm in rare form

And if you really knew me, you'd know its not the norm

B SECTION:

Cause I'm doing things that I normally won't do
the old me's gone I feel brand new
and if you don't like it fuck you

The music's on and I'm dancing

I'm normally in the corner just standing

I'm feeling unusual

I don't care cause this is my night

HOOK (x2):

I'm not myself tonight

tonight I'm not the same girl same girl

Gwen:

If I was rich girl

See, I'd have all the money in the world, if I was a
wealthy girl

No man could test me, impress me, my cash flow
would never ever end

Cause I'd have all the money in the world, if I was a
wealthy girl

I'd get me four Harajuku girls to

Inspire me and they'd come to my rescue

I'd dress them wicked, I'd give them names

Love, Angel, Music, Baby
Hurry up and come and save me

Christina:

2ND VERSE:

I'm dancing a lot and I'm taking shots I'm feeling fine
I'm kissing all the boys and the girls
someone call the doctor cause I lost my mind

B SECTION:

Cause I'm doing things that I normally won't do
the old me's gone I feel brand new
and if you don't like it fuck you

The music's on and I'm dancing
I'm normally in the corner just standing
I'm feeling unusual
I don't care cause this is my night

HOOK (x2)

I'm not myself tonight
tonight I'm not the same girl same girl

BRIDGE:

In the morning, when I wake up
I'll go back to the girl I used to be
but baby not tonight

HOOK (x2)

I'm not myself tonight
tonight I'm not the same girl same girl

Yah, that feels good, I needed that
Get crazy, let's go, that's right
Come on, give it to me now, don't stop

Gwen:

Na na na na na na na na na na na na na na na na
