Im still young, gettin older by the minute
Reachin out the millions, believe it
I work hard, I work fast
Im gonna take it to the top and Im gonna laugh
I know what Ive got so stop
Knockin at my wagon, coz Im blowin up spots
Been wherever I go, you know I get mad love

Pre Chorus:

To the north and the south
Keep my feet on the ground and they know that

Ya dont see me braggin
But then you wanna come and take a knock at my

Giddy up, giddy up
And hold up, take a look around
Then roll out, roll outta town
Coz ya dont see me braggin
But then you wanna come and take a knock at my
wagon
Giddy up, giddy up
And hold up, take a look around
Then roll out, roll outta town

Dont worry bout the people that, hmmm, take a pop of
