When you put your hands on me
When you put your hands on me

I don't know 'bout the travel of time
And I've never seen most of the world
I don't know diving out of the sky
Or living like the diamonds of pearls

See I haven't danced to a musical tune
And I haven't noticed the flowers in bloom
And I haven't smiled when alone in my room very much
Then we touched

I just know when you put your hands on me
I feel sexy and my body turns to gold
I just know when you put your hands on me
I feel ready and I lose my self-control

When you put your hands on me

I don't know if a doll can unwind
Or how to make a person go
And I don't know how to be what you like
And simply open up the depth of my soul

So I keep my wings and my eyes on the down
Ready for nothing but holding my ground
I haven't used a particular noun very much
Then we touched

I just know when you put your hands on me
I feel sexy and my body turns to gold
I just know when you put your hands on me
I feel ready and I lose my self-control

When you put your hands on me

I won't notice or pay you no mind
Boy I couldn't care less what you do with your time
Your fingertips on my hips just move me like one of a
kind

I just know when you put your hands on me
I feel sexy and my body turns to gold
I just know when you put your hands on me
I feel ready and I lose my self-control

I just know when you put your hands on me
I feel sexy and my body turns to gold
I just know when you put your hands on me
I feel ready and I lose my self-control

I just know when you put your hands on me
I feel sexy and my body turns to gold
I just know when you put your hands on me
I feel ready
