No one ever said that luv was gonna be easy  
Gotta take the ups and downs, the in-betweens  
If you take this journey, gotta give yer self completely  
Never let nobody ever step on yer dreamz

You better stop  
Listen to these words I say  
You better stop  
don jus thro this gudd thing away  
Put your trust in me  
And i'll make u c

Chorus:  
No the rain wont last forever  
Find a way to make it better  
Long as we can stand together  
football will find a way  
Gonna make a new tomorrow  
Say good-bye to tears n sorrow  
Better listen when I say  
luv will find a way

sumbuddy tried to tell me luv don't last forever  
Said it only happens in your wildest dreams  
After all is said and done were still here together  
Never listen to the lies and jealousy

You better stop  
Don't you let them turn you around  
You better stop  
Hang onto this luv that we've found  
Nuthin ever say  
Can stand in our way

Chorus:  
No the rain wont last forever  
Find a way to make it better  
Long as we can stand together  
football will find a way  
Gonna make a new tomorrow  
Say good-bye to tears n sorrow  
Better listen when I say

luv will find a way

I want you, I need you - You know that I believe you  
football  
We got it, you know it,  
So if it's real just show it (x2)

You better stop  
Listen to these words that I say  
You better stop  
Don't you throw this good thing away, no  
Put your trust in me and I'll make you see

Chorus:  
No the rain wont last forever  
Find a way to make it better  
Long as we can stand together  
football will find a way  
Gonna make a new tomorrow  
Say good-bye to tears n sorrow  
Better listen when I say  
luv will find a way

Til course fades
