Let's lock in the date,
When we can do this all again,
I'll be there,
Just tell me where,
Oh I got a crush,
Feeling like fifteen again,
No I won't lie ,
Boy I'm on fire

So can you co(ooh)ol me down
Ohh
Me down
Ohh
Right now (oh yeah)

So can you co(ooh)ol
Ooh
Me down
Ohh
Oh baby right now

Lalalalala
Oh baby I'm burning up
I wasn't trying to fall for ya
Oh la
Oh baby I'm burning up
You got that red hot kinda love

I don't know the time,
It could be day it could be night,
But its alright cause your all mine
Oh I must be crazy
Because i only just met you baby
But it feels like I've known you all my life

So can you co(ooh)ol me down
Ooh
Me down
Ooh
Right now (oh yeah)

So can you co(ooh)ol

Ooh
Me down
Ooh
Oh baby right now

Lalalalala
Oh baby I'm burning up
I wasn't trying to fall for ya
Oh lalalala
Oh baby I'm burning up
You got that red hot kinda love

I feel a little shy
Cause you're my kinda guy
Oh I lala
Like it like it
Lala like it like it
I feel a little shy
A little girlie don't know why
Oh lala like it like it
Lala like it like it

Lalalalala
Oh baby I'm burning up
I wasn't trying to fall for ya
Oh la
Oh baby I'm burning up
You got that red hot kinda love
