look at me, look at me..... look at me you may think you
see who i really am but you'll never know me everyday
its as if i play a part now i see if i wear a mask i can fool
the world but i cannot fool my heart

[chorus]

who is that girl i see staring straight back at me when
will my reflection show who i am inside

i am now in a world where i have to hide my heart and
what i beleive in but somehow i will show the world
whats inside my heart and be loved for who i am

[chorus]

who is that girl i see staring straight back at me why is
my reflection someone i don't know must i pretend that
im someone else for all time when will my reflection
show who i am inside

theres a heart that must be free to fly that burns with a
need to know the reason why why must we all conseal
what we think how we feel must there be a secret me
im forced to hide i won't pretend that im some one else
for all time when will my reflection show who i am
inside

when will my reflection show who i am inside..... who i
am inside
