It's not so easy lovin' me  
It gets so complicated  
All the things you gotta be  
Everything's changing  
But you're the truth  
I'm amazed by all your patience  
Everything I put you through

And when I'm about to fall  
Somehow you're always waiting  
Your open arms to catch me  
You're gonna save me from myself  
From myself, yes  
You're gonna save me from myself

Ooh, oh yeah, mmmm

My love is tainted by your touch  
Well some guys have shown me aces  
But you got that royal flush  
I know it's crazy every day  
Well tomorrow may be shaky  
But you never turn away

Don't ask me why I'm crying  
'Cause when I start to crumble  
You know how to keep me smiling  
You always save me from myself  
From myself, myself  
You're gonna save me from myself

I know it's hard, it's hard  
But you've broken all my walls  
You've been my strength, so strong

And don't ask me why I love you  
It's obvious your tenderness  
Is what I need to make me  
A better woman  
To myself  
To myself, myself  
You're gonna save me from my

Myself
