You've got some nerve now, baby, don't you  
I never care about half the shit that comes outta your  
mouth, no  
I wish I could put a swift chokehold on you (yeah, yeah,  
yeah, yeah)  
This world ain't big enough for you and your ego  
So for once why don't you just

Just shut up, Just shut the fuck you  
Shut up, just shut the fuck up  
shut up, just shut the fuck up  
Keep running, running, running and running your  
mouth  
Could you please shut up, just shut the fuck up  
Shut up, Just shut the fuck up

Ha, you think you're something special, don't you  
You like the sound of your voice, keep talkin' while I  
tune you out, of  
And if you ever wonder what I think about you  
(yeah, yeah, yeah, yeah)  
I've got a million ways to show you just where you can  
go kiss my ass, oh  
So for once why don't you

Just shut up, Just shut the fuck you  
Shut up, just shut the fuck up  
shut up, just shut the fuck up  
Keep running, running, running and running your  
mouth  
Could you please shut up, just shut the fuck up  
Shut up, Just shut the fuck up

Call me a bitch  
Whatever you wish  
Don't give a shit  
Can you handle it  
'Cause I flipped the script  
Don't seal my lips  
And if you don't like it  
You can suck my, oh  
You can suck my, oh

You can suck my, oh  
1,2,3,4

Just shut up, Just shut the fuck you  
Shut up, just shut the fuck up  
shut up, just shut the fucj up  
Keep running, running, running and running your  
mouth  
Could you please shut up, just shut the fuck up  
Shut up, Just shut the fuck up
