Yeah. Yeah.

Ooh, Ooh, Ohh

If you see me walking down the street

Or in the pages of your magazine

Looking just a little differently

Showing off a softer side of me

They saying I'm looking like a lady

They saying that love is going to change me

But don't be fooled by everything you see

Gotta let the naughty in me free

There's a woman inside of all of us

Who never quite seems to get enough

Trying to play by the rules is rough

Cause sooner or later something's going to erupt

Cause I still got that nasty in me

Still got that dirrty degree (still got it)

And if you want some more sexy

Still got that freak in me

I still got that nasty in me

Still got that dirrty degree (oh yeah)

And if you want some more sexy

Still got that freak in me

No matter what you thinking of me, still dirrty

And if you're still rolling with me, still got it

No matter what you thinking of me, still dirrty

Still got that freak in me

Why is a woman's sexuality

Always under so much scrutiny?

Why can't she do exactly as she please

Without being called a million things?

They say I'm not the girl they used to know (used to know)

'Cause I don't always wear revealing clothes (oh)

But don't be fooled a moment, I can't hold (I can't hold)

I'm letting loose, 'cause then I'd probably choke (don't you know)

There's some women out there who talk and stare

Who never seem to let down their hair

Like to past judgement, but they're just scared

And don't know what they're missing, so they better beware

'Cause I still got that nasty in me

Still got that dirrty degree (ooh)

And if you want some more sexy

Still got that freak in me

I still got that nasty in me

Still got that dirrty degree (oh yeah)

And if you want some more sexy

Still got that freak in me (oh yeah)
No matter what you thinking of me, still dirrty
And if you're still rolling with me, still got it
No matter what you thinking of me, still dirrty
Still got that freak in me
Don't tell me to behave
'Cause I'll never play that game (no)
Don't tell me what to do
'Cause I'll never be uptight like you
Don't look at me that way
'Cause I ain't never gonna change
And if you're talking about my life
You're only wasting your own time
If I want to wear lingere outside of my clothes
If I want to be erotic in my own videos
If I want to be provacative, well that ain't a sin
Maybe you're not comfortable in your own skin
I still got that nasty in me
Still got that dirrty degree (in me)
And if you still want some more sexy
Still got that freak in me
I still got that nasty in me
Still got that dirrty degree (in me)
And if you still want some more sexy
Still got freak in me

Ooh, yeah.

Hey, hey, hey.

Ohh. Ohh. Ohh. Ohh.
