I feel like I been locked up  
Oh oh oh oh ooh  
My body's saying let's go  
Oh oh oh oh ooh  
Come on, come on  
Oh oh oh oh ooh  
Baby baby baby (baby baby baby)

(I grant you three wishes coz I be the genie)  
(Christina Aguilera)

Oh oh oh oh ooh

It seems like a lifetime since I felt like a prisoner of my  
dreams, yeah  
It took such a long time for me to realize just how to be  
And to listen to me  
Don't go thinking I'm not thankful  
'Cause me, I've got my hands full of good things.. ooh  
And I hope I can give back a little bit of what you've  
given me

(I absolutely love your music)  
(You inspire me to keep on living)  
(So what you gotta say)

So thank you for standing right by me (I will always love  
you)  
So thank you for being behind me (you are just so  
amazing)  
And watching me grow  
And letting others know  
That you'll still believe in what I'll be

(Hey Christina, this is Samantha Silvers

I just wanted to let you know that you are truly one of  
the best artists that I've ever come across  
You've taught me to not care about what other people  
think  
You deeply affected me and helped me to deal with  
and overcome some incidents from my past that I was  
never able to fix before  
Tu musica me ha inspirado a ser mas fuerte  
My name is Carlos Venezuela, there was a time in my  
life when I wanted to commit suicide, your music  
helped me get through the rough times  
On the stripped album my favourite song is Walk Away,  
it helped me get over a lot of stuff with my ex-boyfriend  
Your music is so inspiring, I was serving in Iraq during  
the war, I was 82nd airborne division and your voice is  
just so inspiring and so moving, it kept a lot of us going  
Keep inspiring people, coz you're doing a great job  
This is Shane Burrows, you're a classy honest woman  
both naughty and nice ravishing seductive and sexy,  
Christina thank you so much, please never stop)

Some people have said things sometimes about me  
that weren't always true, ooh  
But you've always been there to give that extra love to  
pull me through  
To do what I gotta do  
Coz there'll always be those ups and downs  
But you've always seemed to stick around  
And see  
See me through to believe  
And I hope I can give back a little bit of what you've  
given me  
You give me all that I need, yeah

So thank you for standing right by me (Thank you for  
everything)  
So thank you for being behind me (Thank you Christina)  
And watching me grow  
And letting others know  
That you'll still believe in what I'll be (sing it girl)

It took me a while til I could do what I wanted  
And now Im so happy that it started where it started  
And I'm thanking God that I can be in a position  
To do my own thing now  
And make my own decisions  
And so I'm thanking you for being true  
And standing by me through and through

(Christina I just want to tell you that you've truly  
brightened my life
