Burlesque

Beautiful, beautiful, beautiful, beautiful

Beautiful, beautiful, beautiful, beautiful

The girls are flipping their hair back

You see them looking so perfect

They're from another planet

All of the beautiful people, shining like diamonds

They got no problems

They always stop for the cameras, stealing the
spotlight

Living the hot life

'Cause it's the, beautiful, beautiful, beautiful

Beautiful people they want

It's the beautiful, beautiful, beautiful

Beautiful people they flaunt

It's the beautiful, beautiful, beautiful, beautiful

Beautiful, beautiful people they love, oh yeah

I saw you wanna be famous

And undeniably sexy

You wanna be so outrageous

Oh, oh, oh, oh, oh

All of the beautiful people shining like diamonds

They got no problems

They always stop for the cameras, stealing the
spotlight

Living the hot life

It's the beautiful, beautiful, beautiful

Beautiful people they want

It's the beautiful, beautiful, beautiful

Beautiful people they flaunt

It's the beautiful, beautiful, beautiful, beautiful

Beautiful, beautiful people they love

It's the beautiful, beautiful, beautiful

Beautiful people they want
It's the beautiful, beautiful, beautiful
Beautiful people they flaunt

It's the beautiful, beautiful, beautiful, beautiful
Beautiful, beautiful people they love, yeah

You say I wanna be, yeah
I wanna be just like 'em
What all beautiful people
Ay, ay, ay, ay

The beautiful people, the beautiful people
The beautiful people, the beautiful people
It's the beautiful people
The beautiful people, the beautiful people, yeah
The beautiful people, they love, hey yeah

All of the beautiful people
Wanna be, don't you wanna be like
All of the beautiful people
Wanna be, don't you wanna be like
Hey, beautiful people, they love

Beautiful, beautiful, beautiful
Beautiful people they want
It's the beautiful, beautiful, beautiful
Beautiful people they flaunt

It's the beautiful, beautiful, beautiful, beautiful
Beautiful, beautiful people they love

It's the beautiful, beautiful, beautiful
Beautiful people they want
It's the beautiful, beautiful, beautiful
Beautiful people they flaunt

It's the beautiful, beautiful, beautiful, beautiful
Beautiful, beautiful people they love, yeah

Super beautiful, yeah, they all just wanna be
So super beautiful, they're really what it seems
Everybody wants, everybody wants to be
So super beautiful, they all wanna be, yeah

The beautiful people, the beautiful people
The beautiful people, the beautiful people
