Everytime from the 1st day of December to the 25th  
The time goes so slow The excitement takes over, the  
presents and cards, Advant calenders prepared to be  
opened, the special moments ooh  
chorus: ooh the count down is always the best, as  
advant calenders are waiting to lead the way, the  
chocolates for everyone ooh the count down ooh yey  
yeah the count down to christmas! yeah  
The special moments of the count down the  
excitement, bursting for christmas day opening  
presents and the turkey for dinner. Children playing all  
day, pulling crakers dancing under the mistletoe. but  
before that happens there must be a moment where  
you wait ooh yeah the count down  
Chorus  
ooh yeah lets all celebrate when christmas is here let's  
all perty all night pull crakers, spoon in the christmas  
pudding unwrapping presents all day enjoying  
yourself, but first of all you need to go through the  
count down the count down (count down) yeah ooh the  
special count down (Talking) oh don't forget your  
advant calender
