Somebody give me a bass line
Yeah, that stuff
Drop the drums right here
Thats right

Yeah Yeah Yeah Yeah
Ooh, alright
Hoo! Ha!

I see you lookin, at what you see
Boy, now dont be shy, aint nothin' but facing
opportunity

She's right you know, (uh, uh) She's right
Man she's right you know, (uh, uh) she's right

You stand there looking at me (At me)
I stand here looking at you girl (At you, boy)

You know exactly what's on my mind (Yeah)
Its just the way that I see
You came here looking for me

But I dont do this type of thing all the time
You want me to...

Come here boy
I got a little something for ya
Got a little bit, can I get a little bit? (Yeah, Yeah)

I dont know
I dont know what it is but I just want to get to know ya

Alright, alright, Yeah
I need you to (Dance...)
Tilt Ya Head Back
Tilt Ya Head Back (...all night)

Bring it back up slowly
I need you to (Dance...)
Tilt Ya Head Back
Tilt Ya Head Back (...all night)

Bring it back up slowly
Now situations, girl, they often change
Listen to me

Sometimes for the good, sometimes for the bad, but
whos to blame?
He's right you know, (Uh Uh!) He's right
He's right you know, (Uh Uh!) He's right (Oww!)

You stand there looking at me, (at me)
I stand here lookin at you girl (At you, boy)
You know exactly whats on my mind (Yeah)

Its just the way that I see
You came here looking for me (but)
I dont do this type of thing all the time (Yeah)
You want me to...

Come here boy
I got a little something for ya
Got a little bit, can I get a little bit? (Yeah, Yeah)
And I dont know....

I dont know what it is but I just want to get to know ya
Alright, alright, Yeah

I need you to (Dance...)
Tilt Ya Head Back
Tilt Ya Head Back (...all night)

Bring it back up slowly
I need you to (Dance...)
Tilt Ya Head Back
Tilt Ya Head Back (...all night)

Bring it back up slowly
Everybody just...

Hustle for me,(hustle, hustle)
Hustle for me,(hustle, hustle)
Hustle for me,(hustle, hustle)
Hustle for me yeah

You got to learn,
thinkin you're so

I got a little bit of that, a little bit of this
Little bit of rap, with a little bit of bitch

You stand there looking at me (At me)

I stand here looking at you girl (At you, boy)
You know exactly what's on my mind (Yeah)
Its just the way that I see

You came here looking for me
But I dont do this type of thing all the time
You want me to...

Come here boy
I got a little something for ya
Got a little bit, can I get a little bit? (Yeah, Yeah)
And I dont know ...

I dont know what it is but I just want to get to know ya
Alright, alright, Yeah

I need you to (Dance...)

Tilt Ya Head Back
Tilt Ya Head Back (...all night)
Bring it back up slowly

I need you to (Dance...)

Tilt Ya Head Back
Tilt Ya Head Back (...all night)
Bring it back up slowly
