Ain't nothing but facing opportunity

You stand there looking at me (at me)  
I stand here looking at you girl (at you boy)  
You know exactly what's on my mind (yeah yeah)

Christina:  
It's just so easy to see (to see)  
You came here looking for me but (but, uh uh)  
I don't do this type of thing all the time, yeah

(Oh, you want me to) Come here boy, uh

But I just want to get to know ya  
Alright, alright  
Yeah yeah

I need to dance...  
(Tilt ya head back, take it down now)  
All night  
(Bring it back up slowly, that's right)

(Tilt ya head back, take it down now)  
All night  
(Bring it back up slowly, that's right)

They often change (listen to me)  
Sometimes for the good (eh)  
Sometimes for the bad, but who's to blame

With a little bit of bitch, ah
