What do you do when you know something's bad for  
you  
And you still can't let go?

I was naïve  
Your love was like candy  
Artificially sweet  
I was deceived by the wrapping

Got caught in your web  
And I learned how to plead  
I was prey in your bed  
And devoured completely

And it hurts my soul  
Cos I can't let go  
All these walls are caving in  
I can't stop my suffering  
I hate to show that I've lost control  
Cos I, I keep going right back  
To the one thing that I need to walk away from

I need to get away from ya  
I need to walk away from ya  
Get away, walk away, walk away

I should have known  
I was used for amusement  
Couldn't see through the smoke  
It was all an illusion

Now I've been licking my wounds (licking my wounds)  
But the venom seeps deeper (deeper, deeper)  
We both can subdue  
but Darling you hold me prisoner (prisoner)

I'm about to break  
I can't stop this ache  
I'm addicted to your allure  
And I'm fiending for a cure  
Every step I take  
Leads to one mistake

I keep going right back  
To the one thing that I need...

Im about to break and i can't stop this ache, getting  
nothing in return  
What did I do to deserve  
The pain of this slow burn  
And everywhere I turn  
I keep going right back  
To the one thing that I need to walk away from

I need to get away from ya  
I need to walk away from ya  
Get away, walk away, walk away

Everytime I try to grasp for air  
I get smothered in despair, it's never over, over  
Seems I never wake from this nightmare  
I let out a silent prayer, let it be over, over

Inside I'm screaming  
Begging, pleading no more  
Ahh...

Now what to do,  
My heart has been bruised  
So sad but it's true  
Each beat reminds me of you

It hurts my soul  
Cos I can't let go  
All these walls are caving in  
I can't stop my suffering  
I hate to show that I've lost control  
Cos I, I keep going right back  
To the one thing that I need...

I'm about to break  
I can't stop this ache  
I'm addicted to your lure  
And I'm feening for a cure  
Every step I take  
Leads to one mistake  
I keep going right back  
To the one thing that I need...

I can't mend  
This torn state I'm in  
Getting nothing in return  
What did I do to deserve  
The pain of this slow burn

And everywhere I turn  
I keep going right back  
To the one thing that I need to walk away from

I say...  
I need to get away from ya  
I need to walk away from ya  
Get away, walk away, walk away

Only thing I need to do is walk away

I need to get away from ya  
I need to walk away from ya  
Get away, walk away, walk away

I need to get away from ya  
I need to walk away from ya  
Get away, walk away, walk away

I need to get away from ya  
I need to walk away from ya  
Get away, walk away, walk away
