P Diddy:  
What's Going On

Jermaine Dupri:  
Tell Me

P Diddy:  
People Dying  
People Crying  
Lord help us

Bono (From U2):  
Mother, mother  
There's too many of you crying

Gwen Stefani (From No Doubt):  
Oh, brother, brother, brother  
There's far too many of you dying

Jermaine Dupri:  
That's Right

Aaron Lewis (From Staind):  
You know we've got to find a way  
To bring some lovin' here today

Nona Gaye:  
Oh my father, father  
We don't need to escalate

Brian Littrell (From Backstreet Boys):  
You see war is not the answer

Nona Gaye/Backstreet Boys:  
For only love can conquer hate

Christina Aguilera:  
You know we've got to find a way  
To bring some lovin' here today

Britney Spears:  
Barricades, can't block our way

J-Lo:  
Don't punish me with brutality

Destiny's Child:  
Talk to me

Britney Spears:  
So you can see

Destiny's Child/Britney Spears:  
Oh what's going on  
What's going on  
Yeah what's going on  
Ahh what's going on

Ja Rule:  
What's going on in a world filled with pain  
Where's the love for which we pray  
What's going on  
When our children can't play  
Homeless can't eat  
There's got to be a better way  
What's going on  
When we politically blind  
Can't see the signs of endangered times  
What's going on

Nelly Furtado:  
What's goin' on in the world today.  
I'd rather be dead than to turn my head away  
We got this first world vision too  
Comfy to lift up our hands in the air  
And cry for a switch

Michael Stipe:  
Father, father

P Diddy:  
Father help us, come on

Michael Stipe:  
Everybody thinks we're wrong

Alicia Keys:  
Oh, but who are they to judge us  
Together we can all be strong

P Diddy:  
United we stand, United we fall

JC Chasez (From N'Sync):  
Oh you know we've got to find a way

Mary J. Blige:  
To bring some understanding here today

Justin Timberlake (From N'Sync):  
Barricades can't block our way

Darren Hayes (From Savage Garden):  
Don't punish me with brutality

NSYNC:  
Baby talk to me  
So you can see

(Second chorus)  
Yeah, what's going on  
Hey, what's going on  
Somebody tell me what's going on  
I'll tell you what's goin' on-uh

Nelly:  
What's going on 'cross seas  
Every minute a child dies by this disease  
In record numbers indeed  
Got mamma's crying out please  
My baby hold on  
My child ain't done nothing wrong  
Still I want to holler  
Ask them why they don't bother  
Oh no, oh no  
Make me turn to my father  
And ask him why they all got a trapped soul

Nas:  
I can feel what was bothering Marvin  
Why his words forever remain  
Dealing with these modern day problems  
'Cause of ignorance surrounding me and my  
constituents  
Too many infected  
Too many lives diminishing  
Nobody say Protestants, Jews, Blacks, and Whites,  
Latinos and  
Asians  
Pray together  
Less fight  
We better unite  
As genocide chemical war  
And the rich and the poor

Know that God delivers a cure

Eve:

It's a shame our reality is devastating  
People praying for a cure  
Dying while they're waiting  
Ask the Lord for the comfort and strength to face it  
All the kids with dreams  
Won't get the chance to chase it  
Makes me sad  
Think about the lives they would've had  
Think about the orphan babies got no moms and dads  
How can we sit back and not try to make it right  
We gotta come together  
We gotta fight for life

Fred Durst (From Limp Bizkit):

Somebody tell me what's going on  
(what's going on)  
We got human beings using humans for a bomb  
But everyone wanna live  
Don't nobody really want to die  
You feeling me right  
I can't be watching people die  
(die)  
And watching people cry  
Let me break it down for a minute  
If there's enough room here for you and me  
There's plenty of room for some humanity

Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)
