I am done
Smoking gun
We've lost it all
The love is gone

She has won
Now it's no fun
We lost it all
The love is gone

And we-e-e-e had magic, And thi-i-i-i-i-is is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected
And somehow you left me neglected
We found our live's been changed
Babe... You lost me

Had me cry
Oh, I really cried
We lost ourselves
The love has died

And though we tried
You can't deny
We left as shells
We lost the fight

And we-e-e-e-ee had magic, and thi-i-i-i-i-is is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected
And somehow you left me neglected
We found our live's been changed
Coz babe... You lost me

(Bridge)
Now I know you're sorry
And we were sweet
But you chose lust then
You deceived me
And you'll regret it

But it's too la-a-a-a-ate
How can I ever trust you again?

I feel like our world's been infected
And somehow you left me neglected
We found our live's been changed
You lost me
