The world seems so cold
When I face so much all alone
A little scared to move on
And knowing how fast I have grown

And I wonder just where I fit in
Oh, the vision of life in my head
Oh, yes

I will be strong on my own
I will see through the rain
I will find my way
I will keep on traveling this road
Till I finally reach my dream
Till I'm living and I'm breathing
My destiny, yeah

I can't let go now
Even when darkness surrounds
But if I hold on, yeah
I will show the world
All the things that you never expected to see
From little old me, this Pittsburgh girl

And I wonder just where my place is
Close my eyes and I remind myself this
Oh, yeah

I will be strong on my own
I will see through the rain
I will find my way
I will keep on traveling this road
Till I finally reach my dream
Till I'm living and I'm breathing
My destiny, oh

It comforts me, oh, it keeps me
Alive each day of my life
Always guiding me, providing me
With the hope I desperately need

Well I gotta believe

There's something out there meant for me
Oh, I get on my knees, praying I will receive
The courage to grow and the faith to know

And I will be, yeah strong on my own
I will see through the rain
I will find my way
I will keep on traveling this road
Till I finally reach my dream
Till I'm living and I'm breathing
My destiny
