Now that you've gone  
All that's left is a band of gold  
All that's left are the dreams I hold  
Band of gold  
And the memories of what love could be  
If you were still here with me

You took me from the shelter of my mother  
I have never known or loved another  
We kissed after taking vows  
That night on our honeymoon  
We stayed in separate rooms

I wait in the darkness of my lonely room  
Filled with sadness filled with gloom  
Hoping soon  
That you'll walk back through that door  
And love me like you tried before

Now that you've gone  
All that's left is a band of gold  
All that's left are the dreams I hold  
Band of gold

And memories of what love could be  
If you were still here with me

Don't you know that I wait  
In the darkness of my lonely room  
Filled with sadness filled with gloom  
Hoping soon  
That you'll walk back through that door  
And love me like you tried before

Since you've been gone  
All that's left is a band of gold  
All that's left are the dreams I hold  
Band of gold  
And the memories of what love could be  
If you were still here with me

I wait in the darkness of my lonely room

Filled with sadness filled with gloom  
Hoping soon  
That you'll walk back through that door  
And love me like you tried before
