She starts the day, paints on another happy face.
Gets all dressed up to meet her friends at the usual
place.
All the the while she's longing
Just wants to belong.
If you change the colour of your world,
And you change the fears you hold inside.
Will you find what you are looking for?
Change for you, not for me.
Found everything, she wants that money can buy.
But she is lost somewhere in between the lines.
Ohhh inside she's crying.
Her whole world is dying.
If you change the colour of your world,
And you change the fears you hold inside.
Will you find what you are looking for?
Change for you, not for me.
Change not for herself
For someone else
The way she walks
The way she talks
The way she smiles
What she believes
The way she breathes
If you change the colour of your world,
And you change the fears you hold inside.
Will you find what you are looking for?
Change for you, not for me.
Change for you
Don't change for me
Change for you
Don't change for me
