Don't cry
Don't you cry
Don't be sorry
Don't cry
Don't you cry
Don't be sorry

Wide-eyed you hypnotize me
With your sadness
Let's go so I can have
Some sweet sweet gladness
Why don't you forget about him?
Drop the curtain
Why don't you try someone else?
How can you be so certain?

Don't cry
Don't you cry
Don't be sorry

He's gone
So don't deny
No, don't you worry

Your room will very soon
Be like a shrine
Open wide your windows
You can make it shine
He maybe a second choice
He's not offended
No one can believe it
When their love has ended

Don't cry
Don't you cry

Put yourself in his shoes
And you'll see he's certain
Why don't you try someone else?
How can you be so certain?

Don't cry

Don't you cry
Don't be sorry

Don't cry
Don't you cry
No, don't you worry
