Leave A Light On

performed by: Belinda Carlisle

written by: Rick Nowels-Ellen Shipley

Take my hand

Tell me what you're feeling

Understand

This is just the beginning

Although I have to go

It makes me feel like crying

I don't know when I'll see you again

Chorus:

Darling LEAVE A LIGHT ON FOR ME

I'll be there before you close the door

To give you all the love that you need

Darling LEAVE A LIGHT ON FOR ME

'cause when the world takes me away

You are still the air that I breathe

I can't explain I just don't know

Just how far I have to go

But darling I'll keep the key

Just leave a light on for me

Yes I know

What I'm asking is crazy

You could go

Just get tired of waiting

But if I lose your love

Torn out by my desire

That would be the one regret of my life

Repeat Chorus

Bridge:

Just like a spark lights up the dark

Baby that's your heart

(Repeat 3 times)

Repeat Chorus
