Last night
The April breeze was whispering
A hearts confession
That could
Mean so much
Starts to touch my wild suspicion
So close, not far away
A bluer world another way
[Chorus:]
Lavender, tangerine
Hmm baby anything
Life is not what it seems.
Make a wish on a star
Oh you'll go far
Life is only a dream
I find a solitude
In my imagination
Past is past, bring it back
Memories are made too fast
I'm giving in no hesitation
So close to mystery
I close my eyes so I can see
[Chorus]
And if you think there is an answer
I tell you what I find
A million miles behind the vista.
[Chorus]
