I can see you when the rains come  
In a flood of memory  
And I go back to that place where love was new  
To those days of me and you  
We thought would never end

Remember September  
And the promise of love we made  
Believing forever  
Nothing in this world would ever change  
Everything we've felt would stay the same

Can you see me like you once did?  
Can I touch you like before?  
'Cos I need you even more than I did then  
Put your kisses on my skin  
Forever in my soul

Remember September  
And the promise of love we made  
Believing forever  
Nothing in this world would ever change  
Everything we've felt would stay the same

(Nothing will change)  
Nothing in this world would ever change  
(Nothing will change)

(Ooh my love)  
I still want you  
(Ooh my love)  
Ooh my love

Remember September  
And the promise of love we made  
Believing forever  
Nothing in this world would ever change  
Everything we've felt would stay the same

(Nothing will change)  
Nothing in this world would ever change  
(Nothing will change)

Everything we've felt would stay the same  
(Nothing will change)

Nothing will change  
Nothing will change  
Nothing will change  
Nothing will change
