Disobey my own decisions
I deserve all your suspicions
First it's yes and then it's no
I dilly, dally down to you, oh

But I've got no secrets
That I battle in my sleep
I won't make promises to you
That I can't keep

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future
That's all stuff and nonsense

I once lived for the future
Everyday was one day closer
Greener on the other side
Yes, I believe before I met you

I assumed that your love was brighter
Than the stars in my eyes
Now I know how and when
I know where and why

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future
That's all stuff and nonsense

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future
That's all stuff and nonsense

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future

That's all stuff and nonsense

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future
That's all stuff and nonsense

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future
That's all stuff and nonsense

And you know that I love you
Here and now, not forever
I can give you the present
I don't know about the future
