[Originally performed by The Sex Pistols]

I'm on a submarine mission for you baby
I feel the way you're going
I picked you up on my TV screen
I feel your undercurrent flowing
Submission
Down down
You're dragging me down
Submission
I can't tell ya what I've found

You've got me pretty deep baby
I can't figure out your watery love
I gotta solve your mystery
You're sitting around in heaven above

Submission
Down down
You're dragging me down
Submission
I can't tell ya what I've found

For there's a mystery
Under the sea

Submission
Down down
You're dragging me down
Submission

You've got me pretty deep baby
I can't figure out your watery love
I gotta solve your mystery
You're sitting around in heaven above

Submission
Down down
You're dragging me down
Submission
I can't tell ya what I've found

Submission
