"Vision Of You"

Time moves a summer wind
I can see your face again
Was it such a tragedy
Being you, being me?

Smoke clears, the pictures fades
But I stay back in yesterday
All the strangers come and go
All of them will never know

Nobody's touch feels like your touch
Nobody gets to me that much
Nobody's kiss moves me inside
And I have no place left to hide

Tell me what can I do ?
I have a vision of you
Tell me what can I do
With this vision of you?

And did I walk? Did you run?
What's the way to love someone?
Oh my darling did we know
And what it meant when we let go

Nobody's touch feels like your touch
And nobody gets to me that much
Nobody's kiss moves me inside
And I have no place left to hide

Tell me what can I do?
I have a vision of you
Tell me what can I do
With this vision of you?
With this vision of you

How can a candle ever burn so bright?
Casting a shadow on my life
I am blinded by your light
Even without you

Nobody's touch feels like your touch

Nobody gets to me that much
Nobody's kiss moves me inside
And I have no place left to hide

Tell me what can I do?
I have a vision of you
Tell me what can I do
With this vision of you?

With this vision of you
With this vision of you
With this vision of you
With this vision of you
