la la la la la

Verse 1:

You smile a lot
It makes me wonder
What your thinkin of cuz'
Baby your always on my mind
And right now I want you with me here by my side
(Here by my side)
With me til' the end of time

Chorus:

I just can't help myself
I'm falling in love with you
(love, love, with you)
It doesn't matter what you say or what you do
(no matter what you say, no matter what you do)
Just give me a chance
And I know I'll make you understand why....
I just can't help myself I'm falling in love with you

Verse 2:

Don't think that I
Should tell, the world just how I'm feeling yeh, cuz
I wanna be sure you feel the same
The more that I think about you need to know
There's no other way no no

Chorus: Repeat

Verse 3:

You must have been sent from heaven above
You're everything I've ever dreamed of
Too good to be true?
No I don't think so

Chorus: Repeat
