I come from the salt water people  
We always live by the sea  
They say home is where you find it  
Will this place ever satisfy me

My island home, my island home  
My island home, is waiting for me x 2

Six years I have lived in the desert  
Every night I dreamt of the sea  
Now i'm down here living in the city  
With all of my family

My island home, my island home  
My island home, is waiting for me x 2

In the evening dry wind blows  
From the hills and across the plains  
I close my eyes and I'm standing  
In a boat on the sea again  
And I'm holding that long turtle spear  
And i feel i'm close now to where it must be

My island home is waiting for me

My home is Australia  
We are a land bound by sea  
Though I may travel far across the ocean  
It will never forget me

My island home, my island home  
My island home, is waiting for me x 2

My island, my island home  
My island home is surrounded by sea  
My island home, my island home  
My island home is waiting for me

My island home x 4
