[Both]

I'm getting paid,  
500 dollars, I have a dog  
And I bet you're really mad  
And I bet you're really sad 'cause [x3]

[Christina]

Oh butter snap I lost my dolphin hat

I like making mac n cheese  
While flying overseas  
One moment please I need to sneeze  
"Achoo"

[Sarah]

"God bless you"

Oh

A crocodile ate my sock

Oh

I wish my pillow could talk

Oh

A giant toad flying through the air

Oh

It got stuck in Christina's hair

[Christina]

Let me hear you say

[Both]

I'm getting paid,  
500 dollars, I have a dog  
And I bet you're really mad  
And I bet you're really sad 'cause [x2]

[Sarah - But both on 2-3 ]

Cookie make my tongue go numbah  
Cookie make my tongue go numb  
Cookie make my tongue go numbah  
Numbah numbah numbah all day longer [x4]

[Both]

There's a purple mushroom in my backyard  
And it's screaming taco tacooos [x5]

[Christina]

Do I smell cheese or is that a fly  
I don't know why I smell a fly

[Both]

Two, three, four  
I'm getting paid,  
500 dollars, I have a dog  
And I bet you're really mad  
And I bet you're really sad 'cause

[Sarah]

I'm getting paid,  
500 dollars, I have a dog  
And I bet you're numbah numbah  
Numbah all day longer

[Both]

I'm getting paid,  
500 dollars, I have a dog  
And I bet you're really mad  
And I bet you're really sad 'cause [x2]

[Sarah]

Oh my gosh  
Oh my gosh  
My gosh

[Christina]

Sarah I stepped on a cornflake  
And now I'm officially a cereal killer  
Even butlers with the heaviest English accent  
Fear the master sword

[Sarah]

Well tickle my toes and call me slappy

If elves were real  
I'd want one to  
Whisper tiny little secrets into my ear  
And live on my shoulder

[Christina]  
Grandma, this is a cat.

[Sarah]  
Not a horse.
