Everything that I've ever wanted I have
left here on the floor
(on the floor, on the floor, here we go)
Everything that I've ever wanted to be (i don't need
your sass)
I am nothing anymore

Turn it up now, here we go

Here we are, looking for someone to help
us out from this rut (in your butt)
Yeah, cause we have nowhere to go from here
cause we're left alone looking at spheres
little bouncing balls all around
dancing to tunes, scooby doo (scooby doo)

Have you ever been, looking for a little friend
Need some help, now do ya?
Cause we're here together to help you out from
everything
that your in, that you're stuck in

Can't believe what they said to me
they said you were falling you was trying to flee
when ya falling yu just skinnin the knee
and im here to tell you that your my honey bee

No kinda friend could replace ya till the end
your my lovable huggable
get me outta trubb-abble
you are everything i've ever wanted
nothing anybody could take, a take, a take away
never turn your back
but if you do i'll always be here

I don't know why I always try
but i always bite your arm
for some reason i'm addicted to the parm coated arm
ashaann cheese, i never meant to please
all i ever wanted to do is sneeze
cause i got my allergies
trying to mess with me

SAVE ME
(aha aha aha)

get into it:
here those voices echo
here those crazy trains choo (choo choo choo)
here the people go RAAAWR

Whoop! Teehee! Teehee!

And every time she says she so obsessed
I'm thinking why is this life so complex
cause you know, Link doesn't care about her that way
he's in love with zelda more and more everyday
christina can't see it, she just doesn't know why
she's gorgeous I think but that's not my reason why
she should cry because
Link's not...real.

HOW COULD YOU SAY THAT?! AHHHAHA

Whoop! Teehee! Teehee!
