### Verse 1:

They say the brightest stars  
are the ones that burn out first  
and i was quick to give my heart  
turns out that you get your's

### Verse 2:

And you tell me that you love me,  
tell me that you mean it,  
didn't see it coming, sorry i believed it,  
i was buying every lie you sold  
and even though we lost it, never really had it,  
how was your secret hiding in the attic?  
the only one you never told.

### Chorus:

I need a witness, someone to write it down,  
for this truth i found was a bigger trap.  
begging for forgiveness, it's a hopeless cause,  
you played your cards, no wonder what you cried  
wo-olf, wo-olf, wo-olf,  
hey

### Verse 3:

You know how the story goes, in the end the wolf get's  
fed.  
you need a miracle after everything you said.

(verse 2 repeats)

(chorus repeats, "Wolf" 7 x)

### Bridge:

save you'r breath, i ain't listening,  
there's nothing left,  
what are you saying  
so save your breath  
i ain't listening at all, all ,all.

### Mixed up part:

i need a witness, someone to write it down  
this the truth i found was a bigger trap

begging for forgiveness, it's a hopeless cause  
you played your cards, don't wanna know what you cry,  
witness, someone to write it down,  
cause the truth i found it was a bigger trap  
begging for forgiveness, it's a hopeless cause  
you played your cards, don't wanna know what you cry,  
i need a witness, someone to write it down,  
'cause the truth i found it was a bigger trap,  
begging for forgiveness , it's a hopeless cause  
you played you'r cards,  
so why'd you cry wolf?
