You had a lot of crooks try to steal your heart
Never really had luck,
Couldn't ever figure out
How to love, How to love

You had a lot of moments that didn't last forever
Now you're in this corner tryna put it together
How to love, How to love

For a second you were here
Now you over there
It's hard not to stare, the way you moving your body
Like you never had a love
Never had a love

When you was just a young and your looks were so precious
But now your grown up
So fly its like a blessing but you can't have a man look at you for five seconds
Without you being insecure
You never credit yourself, so when you got older
It's seems like you came back ten times over
Now you're sitting here in this damn corner
Looking through all your thoughts and looking over your shoulder

See you had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love, How to love

See you had a lot of moments that didn't last forever
Now you're in this corner tryna put it together
How to love, How to love

For a second you were here
Why you over there?
It's hard not to stare the way you moving your body
Like you never had a love, had a love

You had a lot of dreams that transformed to visions
The fact that you saw the world affected all your decisions

But it wasn't your fault
Wasn't in your intentions
To be the one here talking to me
Be the one listenin'

But I admire your popping bottles and dippin'
Just as much as you admire bartending and stripping
Baby, so don't be mad
Nobody else tripping

You see a lot of crooks and the crooks still crook

See You had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love
How to love

See you had a lot of moments that didn't last forever
Now you in this corner tryna put it together
How to love
How to love

Oh,
See I just want you to know
That you deserve the best
You're beautiful
You're beautiful
Yeah

And I want you to know, you're far from the usual
Far from the usual

You see you had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love, How to love

See you had a lot of moments that didn't last forever
Now you in this corner tryna put it together
How to love, How to love

See you had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love, How to love

See you had a lot of moments that didn't last forever

Now you in this corner tryna put it together

How to love, How to love
