Coming home, the locks broken
And the doors wide open
It's all gone, it's all gone now
I look around, it's just white walls
Listen now, to the echoes
It's all gone, it's all gone now

Ever since you broke into me
Ever since you left with the key
I can't open up for anyone anymore anymore

You took the sun, the moon, and the stars
Now we're walking all alone in the dark
You stole my heart, you stole my heart
Give it back to me

All the love that we made here is gone
I'm living in an empty house of cards
You stole my heart, you stole my heart
Give it back to me

King of thieves, king of thieves
You're the king of thieves,
the king of, the king of

Inside, I'm hollow
Cause you carved my heart out
It's all gone, its all gone now

Cause you dealt a cold hand
I'm stripped into nothing
Take it all, take it all
Yeah yeah

Cause ever since you broke into me
Ever since you left with the key

I can't open up for anyone anymore anymore

You took the sun, the moon, and the stars
Now we're walking all alone in the dark
You stole my heart, you stole my heart

Give it back to me

All the love that we made here is gone
I'm living in an empty house of cards
You stole my heart, you stole my heart
Give it back to me

King of thieves, king of thieves
You're the king of thieves,
The king of, the king of

I'll play the victim
Cause you planned it out
Like cops and robbers
Just surrender now!

You took the sun, the moon, and the stars
Now we're walking all alone in the dark
You stole my heart, you stole my heart
Give it back to me

All the love that we made here is gone
I'm living in an empty house of cards
You stole my heart, you stole my heart
Give it back to me

King of thieves, king of thieves
You're the king of thieves,
The king of, the king of
oh-eh-oh-eh-oh
oh-eh-oh-eh-oh
oh-eh-oh-eh-oh
