I see your face before my eyes
I'm falling into darkness
Why must I fight to stay alive
Heroes falling

Wake me can't you hear me calling
Out of darkness they come crawling

Chorus:

Here I am, I am lost in your land
And I hope you will be - creeping in my soul
Shadows fall, let me out, hear my call
And I always believe - creeping in my soul

(Creeps from the deep's gonna freaking up your mind)
(Creeps from the deep's gonna feeding of your spine)
I fade away into the night
My eye are closing in
Shadows fleeing from the night
My nightmares can begin

Creeping in my soul - it's getting out of control
I got to find my escape and get out of this black hole
Justice in the worl is hard to find
Time has come... Got to mke up my mind
No matter how deep or remote you hide
All my thoughts has caught up inside
Creeps from the deep's gonna freaking up your mind
Creeps from the deep's gonna feeding of your spine
