Life Is What You Make It  
At least that's what they say  
Well I think im gon make it  
Fulfill my dreams one day  
I feel this fire growing deep inside of me  
Im so inspired knowing that its my destiny

I breathe like a champion  
I dream im a champion  
I see im a champion  
It's meant to be  
My wills getting stronger  
I cant wait any longer  
Im singing a song that's inside of me  
'cause im a believer  
I know that I can make it  
No matter what they say  
So im a believer  
The Future is Now  
It starts today

I keep my head up

Everyday im waiting

Trying to find the patience  
So close I can taste it..But sometimes it's so hard  
But im gonna keep on pushing  
And Im gonna keep on fighting  
And im gonna keep on trying because I've come too far

I breathe like a champion  
I dream im a champion  
I see im a champion  
Its meant to be  
My wills getting stronger  
I cant wait any longer  
I'm singing a song that's inside of me  
'cause im a believer  
I know that I can make it  
No matter what they say  
So im a believer

The Future is Now  
It starts today

The Future is now ..It Starts Today
