Life is what you make it
At least that's what they say
Well, I think I'm gonna make it
Fulfill my dreams one day

I feel this fire growing
Deep inside of me
I'm so inspired knowing
That it's my destiny

I breathe like a champion
I dream I'm a champion
I see I'm a champion
It's meant to be

My will's getting stronger
I can't wait any longer
I'm singing a song
That's inside of me

'Cause I'm a believer
I know that I can make it
No matter what they say

So I'm a believer
The future is now
It starts today

I keep my head up
Believer

Everyday I'm waiting
Trying to find the patience
So close, I can taste it
But sometimes it's so hard

But I'm gonna keep on pushing
And I'm gonna keep on fighting
And I'm gonna keep on trying
Because I come too far

I breathe like a champion

I dream I'm a champion
I see I'm a champion
It's meant to be

My will's getting stronger
I can't wait any longer
I'm singing a song
That's inside of me

'Cause I'm a believer
I know that I can make it
No matter what they say

I'm a believer
The future is now
It starts today

The future is now
It starts today
