Intro:

Murder Inc. shit
Uh...uh, uh, uh

Hook: Christina Milian & Ja Rule

Every little thing that we do (that we do)
Should be between me and you (me and you)
The freaky things that we do (that we do)
Let's keep between me and you (and you)
Cuz every little thing that we do (that we do)
Should be between me and you (me and you)
The freaky things that we do (that we do)
Let's keep between me and you, baby

Verse1: Ja Rule

Yo
Now when I first met her all I thought was 'tho-tha-
thong"
Like, 'lose the lame, we can get our freakin' on'
Baby know the game
Slip away
Slide me yo' number
It's the last day of spring, see you first day this
summer
I'ma bad mutha; shut yo' mouf!
Pull the drop out
And creep at a low speed
His homey probably know me
I push the pedal
Thoughts of your stilleto
Way up in the air like I think he's here
Cuz see, every time that I'm alone with you (with you)
Homey be checkin' up on you (on you)
Huh, but if that nigga only knew (only knew)
You got a lotta freak in you, baby
Well now it's startin' to rain
I pop the roof and the champagne
How Jay said? "Money Ain't a Thing"
It's been close a few

Some, even impossible
But, it's been between me and you, baby

Hook: Christina Milian & Ja Rule

Every little thing that we do (that we do)
Should be between me and you (me and you)
The freaky things that we do (that we do)

Verse2: [Ja Rule]

Girl it's on again
Every year - we hummer 'em in
Beaches, houses, ho's, foes, friends
And when the day ends
That's when it all begins
You wit him?
Here's my room key
Holla at me.
While you thinka-think I'ma hit it up
Then look at the nigga, you thinkin' you love?
C'mon love
We could go there, me and you
Creep off all night
If you love it, in the mornin', awake with new light
If you lookin' like I ain't gonna handle his
Let me handle my biz
It is what it is
Nigga livin' his life, and that's my bitch
You know I gotta wife
Let's keep this thing tight, baby.

Verse3: Ja Rule & Christina Milian

Don't let the word get out (shhh), baby
This is - strictly between me and you, baby

If they - knew we were doin'
What we were doin'
It'd probably ruin
Our creep away summer in Cancun'n
And I, love, the way we get away
Throw away a whole day
Turn off the pagers and phones
We in the zone like
"Fuck life, we live life, this is our life, live your life."

Cuz see, every time that I'm alone with you (with you)
Shorty be checkin' up on you (on you)
But if baby girl only knew (only knew)
You got a lot of freak in you, baby

Did I ever tell you
My man love what you do
That little thing with yo' tongue
You the best, who knew?
It's been close a few
At times even impossible
But, it's been between me and you, baby.
