Uh, uh, uh, uh

Every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

Yo

When I first met her
All I thought was thong, thong, thong
Like loser lang, we can get our freakin' on
Baby, you know the game slipped away

Slide me your number, it's the last day of spring
See ya first day this summer
I'm a bad motha, shut yo mouth
Pull the drop out

Creep at a low speed 'cuz homie probably know me
I push the peddle, thoughts of your stiletto
Way up in the air like I think, he's here
'Cuz see, every time that I'm alone with you
Homey be checkin' up on you

But if that nigga only knew
You've got a lot of freak in you, baby

When that startin' to rain
I pop the roof and the champagne

How Jay say? "Money ain't a thing"
It's been close to few
Something even impossible
But, it's been between me and you, baby

Every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

Every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

Girl it's on again
Every year, we hummer 'em in
Beaches, houses, hoes, foes, friends

And when the day ends, that's when it all begins

You wit him, here's my room key
(Holla at me)
Why ya thinka thinka, I'm gon' hit it up
Then look at the nigga, ya thinkin' ya love
(C'mon love)

We could go there, me and you
We could talk all night, a night
If ya love it in the mornin', awake with new lifes

If I lookin' like I ain't gonna handle his
Let me handle my bizz, it is what it is
Nigga livin' his life and that's my bitch
Ya know, I gotta wife
Let's keep this thing tight, baby

Every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

Every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

'Coz every little thing that we do
(That we do)
Should be between me and you

(Me and you)

The freaky things that we do

(That we do)

Let's keep between me and you, baby

(Me and you)

Don't let the word get out, baby

This is strictly between me and you, baby

If they only new we were doing what we were doing

It'd probably ruin our pre-rent way summer in cancoon-
an

And I love the way we get away

Throw away a whole day

Turn off the pagers and phones, we in the zone like

Fuck life, we live life, this is our life, live your life

See, every time that I'm alone with you

Shorty be checkin' up on you

But if baby girl only knew

You've got a lot of freak in you, baby

Did I ever tell you, my man love what you do

That little thing with your tongue

You the best, who knew?

It's been close to few at times even impossible

But it's been between me and you, baby

Every little thing that we do

(That we do)

Should be between me and you

(Me and you)

The freaky things that we do

(That we do)

Let's keep between me and you, baby

(Me and you)

'Coz every little thing that we do

(That we do)

Should be between me and you

(Me and you)

The freaky things that we do

(That we do)

Let's keep between me and you, baby

(Me and you)

Every little thing that we do

(That we do)

Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)

The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)

Me and you, me and you
