VERSE 1: Says he wants you
He says he needs you
It's real talk then why not make him wait for you
If he really wants you, if he really needs you
Take your time and feel him out
When he's a good boy (a really really good boy)
Why not let him lay with you (when you give it to him good)

CHORUS: Dip it low
Pick it up slow
Roll it all around
Poke it out, like your back broke
Pop, pop, pop that thang
I'ma show you how to make your man say "oooo"
Dip it low
Pick it up slow
Roll it all around
Poke it out, like your back broke
Pop, pop, pop that thang
I'ma show you how to make your man say "oooo"

VERSE 2: You Gettin bold
He's growin cold
It's just the symptoms of young love
Growin' old
You think it's time (and you thinkin, but give it time)
It's late at night
He's coming home
Meet him at the door with nothin' on
Take him by the hand
Let him know what's on
If you understand me (ooo)

BRIDGE: All the ladies wind it up if you know just how to move
All my fellas jump in honey, show her what you wanna do
All the ladies wind it up if you know just how to move
All my fellas jump in honey, show her what you wanna do (oooo-oooo)

CHORUS: Dip it low
Pick it up slow
Roll it all around
Poke it out, like your back broke
Pop, pop, pop that thang
I'ma show you how to make your man say "oooo"
Dip it low
Pick it up slow
Roll it all around
Poke it out, like your back
Pop, pop, pop that thang
I'ma show you how to make your man say "oooo"

FABOLOUS (RAP) Yea...uh Yea...uh
Baby girl I want you to pop, pop, pop that thang
I might stop to shop and cop you things
You know I drop the top and hop that thang
Sometimes stop my bop then pop my thing
You sure know how to make a man say "oooh"
And how in the world can a man say "no"
When you wind it up on a wall; wind it up like a doll
And you know my Bacardi lime

it up 'til you fall
Haul it up til you fall and have those
other chicks throwin' vomit up
when they can't find it up
in the mall
Like most men I love to catch up with a
model
But I aint used to movin slow like Ketchup in a
bottle
The best things come to those who wait for
But I'm
a be straight for before it's too late for
I want you to Dip
it Low
Pick it up slow
Roll it all around
Poke it out and
make me say "OHHH!"
REPEAT

CHORUS 2X

Lowreee

Says he wants you

He says he needs you

It's real talking when I make him wait for you

If he really wants you

If he really needs you

Really got to have you

Take your time and feel him out

When it's a good boy

I mean a really really good boy

Why not let him lay with you

That's when you give it to him good

Chorus:

Dip it low

Pick it up slow

Roll it all around

Poke it out like your back broke

Pop pop pop that thing

Ima show you how to make your man say "Ooo"

Dip it low

Pick it up slow

Roll it all around

Poke it out like your back broke

Pop pop pop that thing

Ima show you how to make your man say "Ooo"

You getting bold

He growin' cold

It's just the symptoms of young love

Growin' old

You think it's time

And your thinking of leaving

But give it time

It's late at night

He's coming home

Meet him at the door with nothin' on

Take him by the hair
Let him know what's on
If you understand me
Yall come on

All my ladies wine it up
If you know just how to move (mooove)
All my fellas jump behind
And show her what you want to do (show her what you
got daddy)

All my ladies wine it up
If you know just how to move
All my fellas jump behind
And show her what you want to do (ouuuh..wouh ouh)

Dip it low
Pick it up slow (ohhh)
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
Ima show you how to make your man say "Ooo" (ima
show you how to make him)
Dip it low (ouhhh)
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
Ima show you how to make your man say "Ooo"
