[Verse 1]

Says he wants you
He says he needs you
It's real talk, then why not make him wait for you
If he really wants you
If he really needs you
Really got to have you
Take your time and feel him out
When he's a good boy
I mean a really really good boy
Why not let him lay with you
That's when you give it to him good

[Chorus]

Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop'd pop'd pop that thing
Ima show you how to make your man say Ooo
Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop'd pop'd pop that thing
Ima show you how to make your man say Ooo

[Verse 2]

You getting bold
He's growin' cold
It's just the symptoms of young love
Growin' old
You think it's time
And you're thinking of leaving
But give it time
It's late at night
He's coming home
Meet him at the door with nothin' on
Take him by the hand
Let him know what's on
If you understand me
Y'all come on

All my ladies wind it up
If you know just how to move (moove)
All my fellas jump behind
And show her what you want to do
(Show her what you got daddy)

All my ladies wind it up
If you know just how to move
All my fellas jump behind
And show her what you want to do
(ouh...wouh...ouh)

[Repeat Chorus]

Fabulous
baby gurl tha way u
pop-d, pop-d, pop that thang
i mite, stop to shop n cop u thangs
u kno i, drop tha top n hop that thang
sometimes, stop muh bop to pop my thang
sure, kno how to make a man say o0o
and how in tha world can a man say n0o
when u wind it up on a wall
wind it up like a doll
n u know why bacardi, lime it up till u fall
line it up till u fall{?}
and have them other chicks
throwin vomit up, when they can find it up in the
mall{?}
like most men i luv to catch up wit a model
but i ain't used to goin slow like catchup in a bottle
the best things come to those who wait for it
but imma b straight foward
before it's too late for it
i want you to dip it low
pick it up slow
roll it all around, poke it out and make me say o0o

[chorus]
