If you're foolin', only foolin'  
All I ask is why?  
If you're foolin', only foolin'  
All I ask is why?

You supposed to be that nigga  
You got a dime on ya side  
(So why you foolin' with me?)

Listen, I ain't bein' reckless  
I'm just tryin' to get this record straight  
(Look what ya doin' to me)

You got me contemplatin', thinkin' maybe  
I should come check you out in that suite  
Pop open some yellow bottles, undress me like a model  
Then maybe we could wrinkle the sheets

But then I know she'll always be the one you  
Take out show around  
But you continue to hold on to me so  
(Why?)

Would you think that I could settle for less it's just  
One night, no I  
Don't wanna wake up the next mornin' askin'  
(Why?)

So what I need to know is  
If you're foolin', only foolin'  
All I ask is why?  
If you're foolin', only foolin'  
All I ask is why?

Now the media's gossipin', pinnin' me in magazines  
Sayin' I was the one, no  
Comparin' us to that Brad, Jen and Angelina affair  
Look baby, I ain't the one  
(What I'm sayin' is)

I ain't tryin' to go for that, no  
Look I can't go for that, no

You need find out where your home is at  
And turn the key and range rove it back

You didn't want me then so tell me what made  
You changed ya mind  
'Cuz ain't a thing don't changed about me tell me  
(Why?)

'Cuz when you say you love me it's when I'm with  
Someone else, I can't help  
You to continue foolin' me so tell me  
(Why?)

So what I'm tryin' to say is  
If you're foolin', only foolin'  
All I ask is why?  
If you're foolin', only foolin'  
All I ask is why?

I'm like come on, come on, come on, come on, come  
on  
Come on, come on, come on, come on, come on  
I wanna know, boy  
(Why?)

I'm like come on, come on, come on, come on, come  
on  
Come on, come on, come on, come on, come on  
Come on, come on  
All I'm askin' you is  
(Why?)

If you're foolin', let me know  
(If you're foolin')  
I ain't goin' through this, that's for sure  
(Only foolin')

You wanna be with her that's [Incomprehensible]  
(All I ask is why?)  
I really don't care what you do, boy

Whatcha foolin' with?  
(If you're foolin', only foolin')  
Whatcha foolin' with?  
(All I ask is why?)

Whatcha foolin' with?  
(If you're foolin', only foolin')  
(All I ask is why?)
