I been laying here, staring at the wall
Since I met you I've been so messed up it's critical
I want your everything

But you ain't giving back
It's getting deep now
It's getting deep now

I was crazy, so so naive too
You mean everything to me
But I mean nothing to you

Never should've said hello
Never should have let my eyes turn back
I was happy on my own
I never should've said, said, said hello...hello

[Beat break]

[Lil' Wayne]

Never should've said hello
Never should have let my eyes turn back
I was happy on my own
I never should've said, said, said hello...hello

I been laying here, staring at the wall
Since I met you I've been so messed up it's critical
I want your everything

But you ain't giving back
It's getting deep now

Never should've said hello
Never should have let my eyes turn back
I was happy on my own
I never should've said, said, said hello...hello

[Beat break]

Never should've said hello
Never should have let my eyes turn back

I was happy on my own
I never should've said, said, said hello...hello
