"Into The Sunset"

Like a damsel in distress I'm calling
Can you be the one to help?
I'm falling
I need a hero
I don't even know
If they exist anymore
Every time I hurt again
I'm learning
Like a candle in the wind
Barely burning
I'm close to giving up
Someone tell me what
Ever happened to love

Someone to
Carry me
Into the sunset
Shelter me
Be my protection
From the heat
Like Romeo
Ride or die for me
All we need is love in the end

Like a horse without a name
Claim me
I'm like a voice without a face
You feel me?
I'm on a mission
Hoping to find the one
To turn my night to day
Whoa
Like a hand without touch
I'm useless
I just gotta find the glove
To use it
See I don't wanna start
Believing there is not
Somebody out there to love

Someone to
Carry me
Into the sunset
Shelter me
Be my protection
From the heat
Like Romeo
Ride or die for me
All we need is love in the end

Lie the planets roll
I wanna be
Hand in hand
As the fade in a seam
Cause in the end
You're gonna see
Ever after
You and I
Happily

Someone to
Carry me
Into the sunset
Shelter me
Be my protection
From the heat
Like Romeo
Ride or die for me
All we need is love in the end
