[Announcer:]

Ladies and gentlemen
Iâ€™d like to introduce to you. . .
Christina!

[Christina: (Spoken)]

Itâ€™s about time
Yeah
Itâ€™s about time
Yeah
Câ€™mon
Itâ€™s about time you get to know me
Everything in my life has been about timing
My business life
Personal life
I wouldâ€™ve given in to what everybody else wanted
For certain things happened when they werenâ€™t
supposed to

I feel I wouldnâ€™t be in the position I am today
I feel blessed

[Christina: (Singing)]

Itâ€™s my time to live, my time to see
Itâ€™s time that you get to know me
Itâ€™s my time
Itâ€™s about time
Itâ€™s my time to live, my time to see
Itâ€™s time that you get to know me
Itâ€™s my time
Oh ooh
Ahhh. . .
