sophisticated, i'm always on it
a woman of the world, i always speak my mind
i'm motivated, no hesitations
so down to ride or die, and baby that is why

i'm gonna be a joan of arc, i'll be your light when it gets
dark
i wanna ride over your heart, i'll fight the fight and win
it all
i'm gonna be your everything, i'll be the last one in the
rain
ohh, but sometimes i can

i, can always be you're baby girl, you're baby girl
tonight i'm rockin in my heels for you
i, can always be you're baby girl, you're baby girl
tonight i'm taking off my shield for you

i can be dangerous, and yes i'm fearless
i'm standing on my own, no i'm not scared tonight
i'm the third core, you're private dancer
tell me what to do, and i'll do what you like

i'm gonna be a joan of arc, i'll be your light when it gets
dark
i wanna ride over your heart, i'll fight the fight and win
it all
i'm gonna be your everything, i'll be the last one in the
rain
ohh, but sometimes i can

i, can always be you're baby girl, you're baby girl
tonight i'm rockin in my heels for you

i, can always be you're baby girl, you're baby girl
tonight i'm taking off my shield for you

you're baby girl (3x)
compliment my lipstick
i can get used to this
baby you can take control
and i'll give in to it

flowers on my doorstep
i'm pretty in pink
you open up the door
and i'll do anything

i, can always be you're baby girl, you're baby girl
tonight i'm rockin in my heels for you
i, can always be you're baby girl, you're baby girl
tonight i'm taking off my shield for you
i, can always be you're baby girl, you're baby girl
tonight i'm rockin in my heels for you
i, can always be you're baby girl, you're baby girl
tonight i'm taking off my shield for you
