#### **"Kiss It"**

The day that I met you, I remember it so well (so well)  
But little did I know, you was gon' put me through hell,  
ooh woah oh

Listen

Didn't see this one coming, did you boy in your plan  
That you thought I'd be broken and crying  
Head all up in my hands

Cause when you told me you needed your space  
And that basically you don't want me no more  
I betcha didn't think it that you'd be the one  
Standing outside my door

I'll be alright, I'll be okay, yeah yeah yeahh  
I know you feelin' a-a-all alone, alo-uh-uh-one  
You're gonna miss me, you wish I'd just pick up the  
phone  
Crying and begging me home  
Wanna kiss it? muah! kiss it?  
It's like ah ah ah ah ah ah ah ah ah...

You can cry me a river, friends can call all they want (all  
they want)  
Ooo ain't it a damn shame, that you had me now I'm  
gone, ooh woah ohh  
I'm a say that it feels good, to slam my door in you're  
face (in you're face)  
Now the tables have turned now, now you're standing  
in my place

Cause when you told me you needed your space  
And that basically you don't want me no more  
I betcha didn't think it that you'd be the one  
Standing outside my door

I'll be alright, I'll be okay, yeah yeah yeahh  
I know you feelin' a-a-all alone, alo-uh-uh-one  
You're gonna miss me, you wish I'd just pick up the  
phone  
Crying and begging me home

Wanna kiss it? muah! kiss it?  
It's like ah ah ah ah ah ah ah ah ah...

Listen

No more of these games, my mind you won't change  
Won't miss the water until it's gone  
I loved you so, more than you know  
Go on and kiss it I ain't comin home, ain't comin home,  
no

I'll be alright, I'll be okay, yeah yeah yeahh  
And when you're feelin' a-a-all alone, alo-uh-uh-one  
You're gonna miss me, you wish I'd just pick up the  
phone  
Crying and begging me home  
Wanna kiss it? muah! kiss it?  
It's like ah ah ah ah ah ah ah ah ah...

Kiss my, kiss my, kiss my, kiss my
