### Verse 1

Hey girl I hear your havin' trouble with your boyfriend  
again  
And why do you keep letting him get away with  
everything  
By now you should know that he's not treatin' you the  
way you deserve  
Yeah I could see that he's fine and we all now love  
makes you blind  
If it doesn't really benefit you, you'll be better off alone  
Then it wasn't really meant to be, just move on (oohh)

### Chorus:

If you wanna give it all you got  
You gotta be the one to call the shots  
Tell him all the secrets in your heart  
From now on  
You need to be the one to take control  
Even if it means to let him goooo  
Let Go

Ya gotta gotta let go  
Ya gotta gotta - gotta let it go  
Gotta gotta - let go  
gotta gotta

### Verse 2:

I'm not the type of girl to let somebody else run my life  
You won't see me cryin' cause I couldn't get along with  
some guy  
I've never been down with anybody that cannot treat  
me right  
"cause I don't need nobody else to make this food up  
by myself  
If it doesn't really benefit you you'll be better off alone  
Then it wasn't really meant to be , just move on (oohh)

### Chorus:

If you wanna give it all you got  
You gotta be the one to call the shots  
Tell him all the secrets in your heart

From now on  
You need to be the one to take control

Even if it means to let him goooo  
Let Go

Ya gotta gotta let go  
Ya gotta gotta - gotta let it go  
Gotta gotta - let go  
gotta gotta

Bridge:  
If it wasn't meant to be your better of alone (ohh)....  
Just move on let goooooo

Take control  
Let it go  
Even though  
You won't show  
Take control,  
Let it go  
(let goooooooo)  
Take control  
Let it go  
Even though  
Let it goooo (ooooooo)  
Let Go

REPEAT CHORUS

Let go -oh oh  
Let go -oh oh  
Let go
