Ohhhhh oh oh ooh

Joe:

OH!...Joey...Christina  
We Gonna Take It To The 80's  
I'ma Hold You Down Though

Joe Budden:

Look  
You tired of the same old  
Chit-Chat,lame sto's  
Mami's frame loc'  
Make dudes chain smoke  
We can do thangs slow  
As if you ain't know  
All real  
Them other dudes ain't joe  
They'll put you in canaries temporarily  
But you know they can't compare to me  
Can't come close  
Pop cham', one toast  
Til I'm on my knees  
With ya hand up froze  
Now why you acting like you can't come close, ma?

Christina Milian: Things about to change  
I won't just give my heart away  
Cause when I do  
It's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in  
L-O-V-E forever

I don't need love  
If love is gonna hurt me  
No need for trust  
If trust just keeps me cryin'  
I think you can see  
You can see that I'm not playin'  
I'm not the way I used to be  
Understand just what I'm sayin'

Things about to change  
I won't just give my heart away (give)  
Cause when I do  
It's gonna be forever (it's gonna be)  
You're blowin' my mind (you're blowin' my mind)  
So this might be the last time (so this might be)  
I fall in  
L-O-V-E forever (L-O-V-E)

I've come a long way  
You can say I've learned some lessons  
To never wear my heart upon my sleeve  
And always keep on guessin'  
But it's hard not to be naive  
Cause you're sayin' all the right things  
And I won't fall for words  
So this time you gotta show me

Things about to change (oh wooh oh)  
I won't just give my heart away  
Cause when I do (cause when I do)  
It's gonna be forever (foooever)  
You're blowin' my mind  
So this might be the last time (laaast time)  
I fall in  
L-O-V-E forever

Oh

Things about to change (things about to change)  
I won't just give my heart away (oooh oh)  
Cause when I do  
It's gonna be forever (forever)  
You're blowin' my mind  
So this might be the last time (this might be)  
I fall in  
L-O-V-E forever

Understand that I (understand that I)  
I don't know what to do (don't know what to do)  
It's happening again (Aaahh ah)  
I got that old feelin' again  
But before I give in

Joe Budden:  
Understand me  
Now we both grown  
Both done with the practice round  
Watch me prove to be different from your average  
clown

It's safe, go ahead baby put the baggage down  
I ain't tryin' to bend you over  
Just tryin' to win you over  
Take out, chin-chin' on the sofa  
Relax a little  
Maybe then get closer  
Feel like I feel  
Relate to joe beasy  
You make being in L-O-V-E so easy  
Pushin' me up some  
Like fargo easy  
Ma, don't believe me  
Trust and come see about it  
We one the same page babygirl  
We about it  
Enough with the talk game boo  
Let me be about it

Things about to change  
I won't just give my heart away  
Cause when I do (it's gonna be)  
It's gonna be forever  
You're blowin' my mind (you're blowin' my mind)  
So this might be the last time (oh wooh oh)  
I fall in  
L-O-V-E forever (L-O-V-E)

Things about to change (things about to change)  
I won't just give my heart away  
Cause when I do  
It's gonna be forever (na na na na na na na)  
You're blowin' my mind  
So this might be the last time (oooh ouuh)  
I fall in  
L-O-V-E forever (L-O-V-E forever)

Oh wooh oh...  
You're blowin' my mind so this might be...  
L-O-V-E forever

Oh wooh oh...  
You're blowin' my mind so this might be...  
L-O-V-E forever  
Oh wooh oh
