Foxy as hell, strutin like my heels are on fire
Boy can you tell, I work it cuz I want your desire
Yea
Are you lookin at me while I'm lookin at you
Damn cupid again shot his arrow staright through my
heart
You've made a mark I've fallin hard for you

I think I love you
Love you all day I've been thinkin about you
Lalalala love you
I like to love you
Cuz ain't no one can do you like I do
Lalalala love you

L O V E

Yea you want me too

L O V E

Yea you want me too

In the heat of the night
We're keepin load like were wired
Oooh its a lonely life
So take my hand we belong together
Oooh oooh
Are you lookin at me while I'm lookin at you
Damn cupid again shot his arrow staright through my
heart
You've made a mark I've fallin hard for you

I think I love you
Love you all day I've been thinkin about you
Lalalala love you
I like to love you
Cuz ain't no one can do you like I do
Lalalala love you

L O V E
Yea you want me too
L O V E
Yea you want me too

I think I love you
Love you all day I've been thinkin about you
Lalalala love you
I like to love you
Cuz ain't no one can do you like I do
Lalalala love you

L O V E
Yea you want me too
L O V E
Yea you want me too
